RULES

Scrutineering will take place on the morning of the event between 9 am and 10 am in the Cemetery Car Park next to Top Lodge in Avon Dassett. Race numbers will only be issued to Soapboxes which have passed scrutineering.

Safety of Construction – It is each entrant's responsibility to ensure their Soapbox meets the regulations and is safe.

Brakes – ALL Soapboxes must demonstrate a low speed "Emergency stop" as part of the scrutineering process.

Clothing – Driver's clothing must cover all arms and legs up to wrists and ankles (motorcycle leathers or clothing preferred). Clothing should be abrasion-resistant.

Crash helmets (full face recommended) must be worn and comply with UK road use regulations. Goggles are recommended if an open-face helmet is being used. (Helmets designed for other sports such as cycling, climbing, skate-boarding, canoeing, etc. WILL NOT BE PERMITTED). Crash Helmets must be presented at scrutineering.

Modifications to be eligible to race – The Scrutineers will specify any changes / modifications necessary to allow any Soapbox to run, prior to any hill runs (practice or race). Scrutineering will concentrate on the effectiveness of brakes, driver safety and general Soapbox construction in terms of being fit for purpose on what is regarded as an arduous hill run including speeds of circa 40mph and sharp bends. (Even if a driver is prepared to run, the organisers have to consider the safety of the spectators.)

Modifications during the event – no modifications are permitted to any

soapbox during the event, other than running repairs. Addition or removal of weight during the event is not allowed.

Soapbox eligibility – The decision of the Scrutineers is final.

Drivers – Senior drivers must complete and sign the Driver Consent Form at registration. Drivers under 18 must have their forms counter-signed by a parent or guardian.

Insurance – All drivers are recommended to have insurance. Specialist soapbox derby insurance may be obtained here:

RACE REGULATIONS

- **Race format** – Senior racing will take the form of a knockout competition with 2 Soapboxes running at a time. “Byes” may be allocated as required to facilitate a race running order. Seeding will be based on the individual timed practice run. Junior racing will take the form of a time trial on a shorter course. Junior and Senior practice races will take place in the morning with heats and finals after the lunch break.
- **Race results** – The race director’s decision is final and binding.
- **Prize Giving** – will be at the Finish Line at approximately 5 pm.
- The organisers reserve the right to modify the course as required to mitigate risks of any currently unforeseen hazards.
- All drivers are required to walk the course on the morning of the event before taking part in any runs (including practice) and their signature on their entry form implies acceptance to participate in the event on this basis.
- **Accidents** – if there is an accident on the course, the safety car will be sent to the scene. The soapbox(s) involved must be checked by the scrutineer before being able to race on. Drivers must be checked by the first aid team before being able to race on.
